3 Association of Insurance Commissioners’ Long-Term Care Insurance Model  
4 Act and Long-Term Care Insurance Model Regulation, respectively, adopted

14 applicable law of the compacting state. Any member may be removed or  
15 suspended from office as provided by the law of the state from which ~~he or she~~  
16 the member shall be appointed. Any vacancy occurring in the Commission  
17 shall be filled in accordance with the laws of the compacting state wherein the

19 manner in which a compacting state determines the election or appointment  
20 and qualification of its own Commissioner. The Commissioner of the

1 Vermont Department of Financial Regulation, or the Commissioner's  
2 designee, shall be the member appointed by Vermont to the Commission.

3 (b) Voting. Each member shall be entitled to one vote and shall have an

5 with the bylaws. Notwithstanding any provision ~~herein~~ of this chapter to the  
6 contrary, no action of the Commission with respect to the adoption of a  
7 uniform standard shall be effective unless two-thirds of the members vote in  
8 favor thereof.

9 (c) Bylaws.

10 \* \* \*

11 (2) The Commission shall publish its bylaws in a convenient form and  
12 file a copy ~~thereof~~ of its bylaws and a copy of any amendment ~~thereto~~ to its  
13 bylaws with the appropriate agency or officer in each of the compacting states.

14 \* \* \*

15 (h) Qualified immunity, defense, and indemnification.

16 \* \* \*

17 (2) The Commission shall defend any member, officer, executive  
18 director, employee, or representative of the Commission in any civil action  
19 seeking to impose liability arising out of any actual or alleged act, error, or  
20 omission that occurred within the scope of Commission employment, duties, or  
21 responsibilities, or that the person against whom the claim is made had a

3 chapter shall be construed to prohibit that person from retaining ~~his or her~~ the

8 Sec. 275. 8 V.S.A. § 8505 is amended to read:

9 § 8505. RULES AND OPERATING PROCEDURES; RULEMAKING  
10 FUNCTIONS OF THE COMMISSION AND OPTING OUT OF  
11 UNIFORM STANDARDS

12 (a) Rulemaking authority. The Commission shall adopt reasonable rules,  
13 including uniform standards, and operating procedures in order to effectively  
14 and efficiently achieve the purposes of this compact. Notwithstanding the  
15 foregoing, in the event the Commission exercises its rulemaking authority in a  
16 manner that is beyond the scope of the purposes of this chapter, or the powers  
17 granted ~~hereunder~~ under this chapter, such an action by the Commission shall  
18 be invalid and have no force and effect.

19 \* \* \*

20 (c) Effective date and opt out of a uniform standard. A uniform standard  
21 shall become effective 90 days after its adoption by the Commission or such

1 later date as the Commission may determine; provided, however, that a  
2 compacting state may opt out of a uniform standard as provided in this section.  
3 “Opt out” ~~shall be defined as~~ means any action by a compacting state to  
4 decline to adopt or participate in an adopted uniform standard. All other rules

10 legislation or rule duly adopted by the insurance department under the  
11 compacting state’s Administrative Procedure Act. The Vermont Department  
12 of Financial Regulation may adopt an emergency rule for the purposes of this  
13 subsection. If a compacting state elects to opt out of a uniform standard by  
14 rule, it must give written notice to the Commission ~~no~~ not later than ~~ten~~ 10  
15 business days after the uniform standard is adopted, or at the time the state  
16 becomes a compacting state and find that the uniform standard does not

18 in the state. The Commissioner shall make specific findings of fact and  
19 conclusions of law, based on a preponderance of the evidence, detailing the  
20 conditions in the state ~~which~~ that warrant a departure from the uniform  
21 standard and determining that the uniform standard would not reasonably

1 protect the citizens of the state. The Commissioner must consider and balance  
2 the following factors and find that the conditions in the state and needs of the  
3 citizens of the state outweigh both the intent of the legislature to participate in,  
4 and the benefits of, an interstate agreement to establish national uniform  
5 consumer protections for the products subject to this chapter and the  
6 presumption that a uniform standard adopted by the Commission provides  
7 reasonable protections to consumers of the relevant product.

16 insurance, and such filing shall be subject to the laws of the states where filed.

17 (b) The Commission shall establish appropriate filing and review processes  
18 and procedures pursuant to Commission rules and operating procedures.

19 Notwithstanding any provision ~~herein~~ of this chapter to the contrary, the  
20 Commission shall adopt rules to establish conditions and procedures under  
21 which the Commission will provide public access to product filing

1 information. In establishing such rules, the Commission shall consider the  
2 interests of the public in having access to such information, as well as  
3 protection of personal medical and financial information and trade secrets, that

4 of the fees or charges shall be disclosed before the consumer is irrevocably  
5 committed to completing the transaction. The Commissioner shall approve the  
6 form, content, timing, and location of such disclosures and any amendments  
7 ~~thereto~~ prior to use. The Commissioner shall act on any submission made  
8 under this section within 30 days ~~of~~ after receipt. If the Commissioner  
9 determines that any disclosures do not provide adequate consumer protection,  
10 the Commissioner may by order or by rule specify minimum disclosure  
11 standards, including the form, content, timing, and location of such disclosures.  
12 The Commissioner may impose on the owner of an automated teller machine

1           ~~(5)(c)(1)~~ For the purposes of ~~this~~ subsection (b) of this section, a return  
2 shall not be treated as filed until it is filed in processible form, which means  
3 that ~~such~~ the return is filed on a permitted form and ~~such~~ the return contains  
4 the taxpayer’s name, address, ~~and~~ identifying number ~~and~~, the required  
5 signature, and ~~contains~~ sufficient information (whether on the return or on  
6 required attachments) to permit the mathematical verification of the tax  
7 liability shown on the return.

8           ~~(6)(2)~~ The provisions of ~~this~~ subsection (b) of this section shall apply  
9 notwithstanding any other provision of law to the contrary.

10 Sec. 497. 32 V.S.A. § 3109(a) is amended to read:

11           (a) The Commissioner may contract with one or more sheriffs or constables  
12 for the collection of taxes by the sheriff’s or constable’s ~~performing~~  
13 performance of services ~~that he or she is~~ authorized by law ~~to provide~~, for  
14 compensation that may be in lieu of any statutory fees. The compensation  
15 terms of such contracts shall be uniform throughout the State unless the  
16 Commissioner certifies that differential terms are required because of unusual  
17 circumstances in a particular case, and recites such circumstances in the  
18 contract. When contracting with the Commissioner under this subsection,  
19 constables are authorized to avail themselves of all statutory remedies  
20 available to sheriffs to collect taxes. Notwithstanding section 502 of this title,

1 the Commissioner may charge against such collections an agreed-upon fixed  
2 rate or percentage of collections.

3 Sec. 498. 32 V.S.A. § 3113 is amended to read:

4 § 3113. REQUIREMENT FOR OBTAINING LICENSE,

5 GOVERNMENTAL CONTRACT, OR EMPLOYMENT

6 (a) As used in this section, “agency” means any unit of State government,  
7 including agencies, departments, boards, commissions, authorities, or public  
8 corporation.

9 (b) No agency of the State shall grant, issue, or renew any license or other  
10 authority to conduct a trade or business (including a license to practice a  
11 profession) to, or enter into, extend, or renew any contract for the provision of  
12 goods, services, or real estate space with any person unless ~~such~~ the person  
13 shall first sign a written declaration under the pains and penalties of perjury  
14 that the person is in good standing with respect to or in full compliance with a  
15 plan to pay any and all taxes due as of the date ~~such~~ the declaration is made,  
16 except that the Commissioner may waive this requirement as the  
17 Commissioner deems appropriate to facilitate the Department of Financial  
18 Regulation’s participation in any national licensing or registration systems for  
19 persons required to be licensed or registered by the Commissioner of Financial  
20 Regulation under Title 8, Title 9, or 18 V.S.A. chapter 221.

1 (c) Every agency shall, upon request of the Commissioner, furnish a list of  
2 licenses and contracts issued or renewed by ~~such~~ the agency during the  
3 reporting period; provided, however, that the Secretary of State shall, with  
4 respect to certificates of authority to transact business issued to foreign  
5 corporations, furnish to the Commissioner only those certificates originally  
6 issued by the Secretary of State during the reporting period and not renewals of  
7 such certificates. The lists shall include the name, address, Social Security or  
8 federal identification number of ~~such~~ the licensee or provider, and ~~such~~ other  
9 information as the Commissioner may require.

10 (d) If the Commissioner determines that any person who has agreed to  
11 furnish goods, services, or real estate space to any agency has neglected or  
12 refused to pay any tax administered by the Commissioner and that the person's  
13 liability for such tax is not under appeal, or if under appeal, the Commissioner  
14 has determined that the tax or interest or penalty is in jeopardy, the  
15 Commissioner shall notify the agency and the person in writing of the amount  
16 owed by ~~such~~ the person. Upon receipt of such notice, the agency shall  
17 thereafter transfer to the Commissioner any amounts that would otherwise be  
18 payable by the agency to the taxpayer, up to the amount certified by the  
19 Commissioner. The Commissioner may treat any ~~such~~ payment as if it were a  
20 payment received from the taxpayer. As used in this section, "any person who  
21 has agreed to furnish goods, services, or real estate space to any agency"

1 includes a provider of Medicaid services that receives reimbursement from the  
2 State under Title 33.

3 (e) No agency of the State shall make final payment of any amount owed  
4 under a contract that contemplates the employment of any person within the  
5 State or the use of any property within the State, or otherwise release any  
6 person from the obligations of any ~~such~~ contract, unless ~~such~~ the person shall  
7 first obtain a certificate issued by the Commissioner that the person is in good  
8 standing with respect to or in full compliance with a plan to pay any and all  
9 taxes due as of the date of issuance of the certificate.

10 (f) Upon written request by the Commissioner and after notice and hearing  
11 to the licensee as required under any applicable provision of law, an agency  
12 shall revoke or suspend any license or other authority to conduct a trade or  
13 business (including a license to practice a profession) issued to any person if  
14 the agency finds that taxes administered by the Commissioner have not been  
15 paid and that the taxpayer's liability for ~~such~~ the taxes is not under appeal. For  
16 purposes of ~~such~~ the findings, the written representation to that effect by the  
17 Commissioner to the agency shall constitute prima facie evidence thereof. The  
18 Commissioner shall have the right to intervene in any hearing conducted with  
19 respect to ~~such~~ the license revocation or suspension. Any findings made by the  
20 agency with respect to ~~such~~ the license revocation or suspension shall be made  
21 only for the purposes of ~~such~~ the proceeding and shall not be relevant to or

1 introduced in any other proceeding at law, except for any appeal from ~~such~~ the  
2 license revocation or suspension. Any license or certificate of authority  
3 suspended or revoked under this section shall not be reissued or renewed until  
4 the agency receives a certificate issued by the Commissioner that the licensee  
5 is in good standing with respect to any and all taxes payable to the  
6 Commissioner as of the date of issuance of ~~such~~ the certificate. Any person  
7 aggrieved by the decision of the agency may appeal ~~therefrom~~ the decision in  
8 accordance with the provisions of 3 V.S.A. chapter 25.

9 \* \* \*

10 (i) No agency of the State shall hire any person as a full-time, part-time,  
11 temporary, or contractual employee unless the person shall first sign a written  
12 declaration under the pains and penalties of perjury that the person is in good  
13 standing with respect to or in full compliance with a plan to pay any and all  
14 taxes due as of the date ~~such~~ the declaration is made. This requirement applies  
15 only to the initial hire of an individual into a position that is paid using the  
16 State of Vermont federal taxpayer identification number, other than as a county  
17 employee, and not to an employee serving in ~~such~~ the position or who returns  
18 to any position in State government as a result of a placement right or  
19 reduction in force recall right.

1 Sec. 499. 32 V.S.A. § 3113a is amended to read:

2 § 3113a. ABANDONED PROPERTY; SATISFACTION OF TAX

3 LIABILITIES

4 The Commissioner may request from the Office of the Treasurer the names  
5 and Social Security or federal identification numbers of apparent owners of  
6 ~~unclaimed~~ presumed abandoned property prior to notice being given to ~~such~~  
7 ~~persons~~ pursuant to 27 V.S.A. § ~~1249~~ chapter 18, subchapter 5. If any ~~such~~  
8 apparent owner owes taxes to the State, the Commissioner, after notice to the  
9 owner, may request and the Treasurer shall transfer the abandoned property of  
10 ~~such~~ the owner to the Department for setoff of the taxes owed. The notice  
11 shall advise the owner of the action being taken and the right to appeal the  
12 setoff if the tax debt is not the owner's debt, or if the debt has been paid, or if  
13 the tax debt was appealed within 60 days from the date of the assessment and  
14 the appeal has not been finally determined, or if the debt was discharged in  
15 bankruptcy.

16 Sec. 500. 32 V.S.A. § 3114 is amended to read:

17 § 3114. BONDING REQUIREMENTS

18 (a) When the Commissioner, in ~~his or her~~ the Commissioner's discretion,  
19 deems it necessary to protect the revenues collectible by the Commissioner, ~~he~~  
20 ~~or she~~ the Commissioner may require any person required to collect, withhold,  
21 remit, or pay any tax administered by the Commissioner (other than the

1 personal income tax) to file with ~~him or her~~ the Commissioner a bond, issued  
2 by a surety company authorized to transact business in this State and approved  
3 by the Commissioner of Financial Regulation of this State as to solvency and  
4 responsibility, in an amount fixed by the Commissioner, to secure the payment  
5 of any tax or penalties or interest due or that may become due from that  
6 person. In determining whether a person should be required to obtain a bond,  
7 the Commissioner is specifically authorized to consider the filing and payment  
8 history, with respect to any tax administered by the Commissioner, of such  
9 person or any individual, corporation, partnership, or other legal entity with  
10 which ~~such~~ the person is or was associated as principal, partner, officer,  
11 director, employee, agent, or incorporator.

12 (b) In the event that the Commissioner determines that ~~such~~ the person is to  
13 file a bond, ~~he or she~~ the Commissioner shall give notice to that effect,  
14 specifying the amount of the bond required and the period for which such bond  
15 is required. That person shall file a bond within five days after the giving of  
16 the notice unless within those five days ~~he or she~~ the person shall request in  
17 writing a hearing before the Commissioner at which the necessity, propriety,  
18 and amount of the bond shall be determined by the Commissioner. The  
19 determination of the Commissioner shall be complied with within 15 days after  
20 the giving of notice ~~thereof~~. Any person aggrieved by a determination of the  
21 Commissioner may appeal ~~therefrom~~ from the determination in accordance

1 with section 5885 of this title, but the determination of the Commissioner may  
2 be overturned on appeal only for abuse of discretion.

3 (c) Notwithstanding any appeal to the Commissioner or to the courts, no  
4 person shall operate any trade or business with respect to which a bond has  
5 been demanded during any period for which ~~such~~ the bond is not in effect. In  
6 case of operation in violation of this section, the Commissioner may cause to  
7 be posted, at every public entrance of the vendor's premises, a notice  
8 identifying the person and the location and informing the public that the person  
9 has not filed a bond and that no business may be conducted at that location.  
10 No person shall cover or deface the posted notice, and the posted notice may  
11 not be removed until the bond is posted or removal is otherwise authorized by  
12 the Commissioner or a court.

13 (d) In lieu of a bond, securities approved by the Commissioner or cash in  
14 ~~such~~ an amount as ~~he or she~~ the Commissioner may prescribe may be  
15 deposited, which shall be kept in the custody of the State Treasurer who may at  
16 any time upon instructions from the Commissioner without notice to the  
17 depositor apply them to any tax or interest or penalties due, and for that  
18 purpose the securities may be sold by ~~him or her~~ the Commissioner at public or  
19 private sale without notice to the depositor ~~thereof~~.

1 Sec. 501. 32 V.S.A. § 3201(a) is amended to read:

2 (a) Commissioner authority. In the administration of taxes, the  
3 Commissioner may:

4 (1) Adopt, amend, and enforce reasonable rules, and orders, ~~and~~  
5 ~~regulations~~ in administering the taxes within the Commissioner's jurisdiction.

6 \* \* \*

7 (3) Hold hearings, administer oaths, and examine under oath any person  
8 relating to ~~his or her~~ that person's business or relating to any matter within the  
9 Commissioner's jurisdiction.

10 (4) For the purpose of ascertaining the correctness of any return or  
11 making a determination of the tax liability of any taxpayer, examine or cause  
12 to be examined by any agent or representative designated by ~~him or her~~ the  
13 Commissioner for that purpose any books, papers, records, or memoranda of  
14 the taxpayer bearing upon the matters required to be included in any return.  
15 The Commissioner or ~~such~~ the Commissioner's designated officers may  
16 require the attendance of the taxpayer or of any other person having knowledge  
17 in the premises, at any place in the county where the taxpayer or person resides  
18 or has a place of business, ~~or~~ in Washington County if the taxpayer is a  
19 nonresident individual, estate, or trust, or is a corporation or business entity not  
20 having a place of business in this State, ~~and~~; may take testimony and require  
21 proof material; and may administer oaths or take acknowledgment in respect

1 of any return or other information required by this title or the rules,~~regulations,~~  
2 and decisions of the Commissioner. If an individual, estate, trust, corporation,  
3 or other business entity fails after request to provide books, records, or  
4 memoranda at either its place of business within the State or Washington  
5 County, the Commissioner may charge the person a reasonable per diem fee  
6 and expenses for the auditor making the examination out of state. The charges  
7 shall be payable within 30 days of the date billed and may be collected in the  
8 manner provided for the collection of taxes in this title.

9 (5) Upon making a record of the reasons therefor, waive, reduce, or  
10 compromise any of the taxes, penalties, interest, or other charges or fees within  
11 ~~his or her~~ the Commissioner's jurisdiction.

12 (6) Determine the form in which returns and reports shall be filed and  
13 what shall constitute a signature on ~~such~~ returns and reports, including those  
14 filed in other than paper form, such as electronically or over telephone lines.

19 imposed by this title (except the motor vehicle purchase and use tax) on the

21 and the taxpayer shall then pay a sum of interest computed at the rate per

1 annum established by the Commissioner pursuant to section 3108 of this title  
2 on the unpaid amount of that tax liability for the period from the prescribed  
3 date to the date of full payment of the liability.

8 ~~therefor of payment~~ or the date as extended pursuant to section 5868 of this  
9 title, unless the taxpayer affirmatively shows that ~~such~~ the failure is due to  
10 reasonable cause and not due to willful neglect, then in addition to any interest  
11 payable pursuant to subsection (a) of this section, the Commissioner may  
12 assess and the taxpayer shall then pay a penalty that shall be equal to five  
13 percent of the outstanding tax liability for each month, or portion thereof, that  
14 the tax return is not filed; provided, however, that in no event shall the amount  
15 of any penalty imposed under this subdivision exceed 25 percent of the tax  
16 liability unpaid on the prescribed date of payment. If the return is not filed  
17 within 60 days after the prescribed date ~~prescribed therefor of payment~~, there
